

## James Alexander Levy

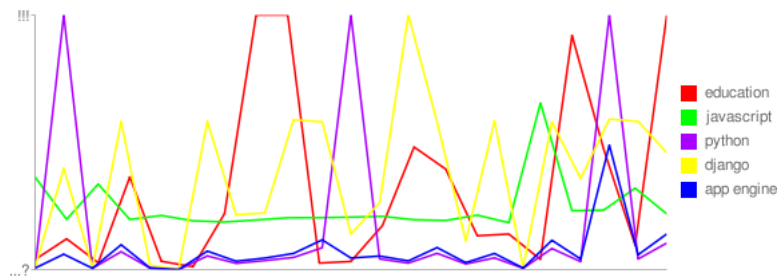

James is now developing software for **Google Open Source** and building an education site called **PlopQuiz**.

He formerly worked at **Snaptalent**, a **YCombinator** backed recruitment network, and as Platform Director at **Box.net**.

In his spare time, James enjoys developing open source apps like **QuiztheBill**, **ScoopStream**, **GovPix**, **Langy**, **Testy**, and **Shortable**, and contributing to others. He has a B.S from Northwestern's **Medill School**.

Delivering a talk about **Learning on Facebook**. Mark Zuckerberg is in the audience - can you spot him?
